Computer
Channels: 2-4

Keys 2:

1x DSI Pro2 w. stand
1x Behringer Deepmind w. stand
Channels: 1

Short info about our sound:

Instrumental atmospheric post-rock. Imagine soundscapes and cinematic scores. Influences include GSY!BE, Pink Floyd, Hans Zimmer.
Keyboards - we play bass through keys and keyboard players switch being the “bass player” within the songs as well as standard lead solos.
Drums - big sound with quite a lot of reverb. Drone samples and speeches via drum pad.
Guitar - carrying both lead and comp roles a lot like Pink Floyd
